Bangladesh University of Engineering and Technology**

MSc Admission Notice April 2021

13 July, 2021

The final List-5 of provisional selected students with their research areas for M.Sc./M.Engg. program under the Dept of EEE, BUET for the session April 2021 is attached below.

Please follow the guidelines below for research supervisor selection. You must select a supervisor according to your final choice of research area. Please follow the Notice posted here

(http://pgadmission.buet.ac.bd/Apr_2021/EEE_faculty_research_area.pdf) for research areas and relevant fields of EEE faculty members. You have to contact them according to the guideline below. Failure to submit the following form will delay the admission process.

Prof. Dr. Md. Kamrul Hasan
Head, Dept of EEE, BUET.

Guideline for MSc Students to find a supervisor

(a) **All students** must submit necessary information in the following Google form within **15 July, Thursday 7 pm.** The students need to fill the form *after* they communicate with EEE faculty members. Without consent or communication, the form will not be complete.

<https://forms.gle/vAtdBVQyBoFbNUs26>

(b) The students are advised to contact his/her intended supervisor, preferably over email. Please follow the link below for the potential supervisor with their fields of interest and research area:

http://pgadmission.buet.ac.bd/Apr_2021/EEE_faculty_research_area.pdf

The email MUST contain the Application ID and active phone number of the student. The student may attach his/her *Statement of Purpose* to the email to help the intended supervisor making informed decision. They may also briefly mention their undergraduate institution, cgpa and area of research.

It is strongly advised that a student does not send a generic email to multiple supervisors at the same time.

(c) Upon consent from the intended supervisor, the student must collect the supporting document in this regard. The supporting document can be a pdf file of the email received from the supervisor, where the supervisor clearly expresses his/her consent for being the student's Thesis Supervisor for the program. Or it can be in the form of an application, which must contain signature of the supervisor who has given his/her consent.

(d) After uploading the *Consent document (PDF file of the email or Application Signed by Supervisor)* in the google form above, **the student must inform the supervisor that he/she has submitted the mentioned file.**

(f) The student's admission process will remain incomplete if the Google form is not submitted.
